- 28** Case study – challenge, action, result and insight
- 29** Rate yourself 1-10. What impact would it make to master this? Can you commit to learning this more?
- 30** Strategy 3

- 31** Story to back it up
- 32** Quote to back it up
- 33** Case study – challenge, action, result and insight
- 34** Rate yourself 1-10. What impact would it make to master this? Can you commit to learning this more?
- 35** The BIG Review 1,2,3
- 36** The Problems you face 1,2,3

- 37** Imagine your desired future. Take them into the future and ask them to imagine a new desired future.

I want to do a powerful exercise with you. I want you to imagine that in just 3 days from now you are doing (insert description of positive thing) and you're feeling (insert positive feeling). Now I want you to imagine that in 3 months from now you are doing (insert description of positive thing) and you're feeling (insert positive feeling). Finally, I want you to imagine 12 months from now and you are doing (insert description of positive thing) and you're feeling (insert positive feeling).

What type of person are you seeing in your future? How are they showing up? How are they making decisions? My question is, are you committed to being and acting as this person from this point forward?

- 38** How? If you are committed to being that person the only thing stopping you now is HOW to get there. And the good news is you don't have to do the guess work anymore. I want to share with you how you can reach your goals easier and faster than you thought possible.
- 39** Confession – not for everyone But before I share this I need to be upfront. This is not for everyone.

This is NOT for you if... (Insert criteria including you aren't ready to grow your business, you're not willing to be flexible with your approach, you're happy to just stay comfortable in your situation).

This IS for you if (insert criteria + Values of people you want). For example this is for you if you are coachable, willing to try new things and implements, you're committed to your next level, your heart is to serve people and contribute.

- 40 Name of program and the promise you made. So, the next step is called the (insert program name). The reason why I created it was... (Insert your reason for creating, this is your heart for it and them) The promise of the program is...(It will help you to get X, so that you can have Y, without Z)
- 41 The process slide. The signature process you'll move through starts with (insert phase one). In this module you'll discover how to X so you can Y.

Then module 2 etc

The second module is (insert phase two). In this module you'll discover how to X so you can Y.

- 42 The process outcomes for each module
- 43 Bonus and outcome of bonus
- 44 Bonus and outcome of bonus
- 45 Bonus and outcome of bonus
- 46 Results people got from the program
